NEXT LEVEL EVALUATION

PROFESSIONAL EVALUATION OF YOUR SKILLS AND ABILITIES

Let us help you find your best
level to play!

Next Level Evaluation

Next Level Evaluation is directed by Coach Jim Baker. With over 35 years of college coaching experience, from high D1 to D2, Next Level Evaluation can help you decide which level of college play is best suited for you. This is not a scouting service but an evaluation service to help you determine the right level and fit for your abilities and skills. We help you narrow down where you would be projected to play and provide specific areas to improve on if desiring a higher level of play.

Next Level Evaluation

We will evaluate:

- ◆ Basketball IQ
- ◆ Athletic Ability
- ◆ Strength
- ◆ Shot & Free Throw
- ◆ Shooting Range
- ◆ Ball Handling
- ◆ Offensive Skills
- ◆ Defensive Skills
- ◆ Aggressiveness
